

Chinese learn from Enterprise Uganda's Business leadership model

A delegation of 19 Chinese from Ministry of Labour & Social Security led by Ms. Zhang Yali, the Deputy Director General and the International Labour Organisation (ILO) Office in Beijing was in Uganda from 22-25 May 2005 to learn and exchange experiences on the implementation and impact of the Expand Your Business (EYB) programme coordinated by Enterprise Uganda.

The team paid a courtesy call to the UNDP Resident Representative Mr. Daouda Toure and told him very complimenting remarks about Enterprise Uganda. They visited the some institutions and individuals that were partners in the implementation of the EYB in Uganda: Acclaim Africa; *dfcu* Group; Uganda National Bureau of Standards; EYB Trainers and beneficiaries.

Enterprise Uganda Training Manager Mr. Eriab Kiiza and Robert Mawanda, the Expand Your Business Officer (top right) share the best practices of the EYB model with the Chinese delegation at Enterprise Uganda.

The EYB is an integrated business training and support package for small to medium scale enterprises which have growth potential and capacity to create more, quality employment. This package was developed by the International Labour Organization Start and Improve Your Business Regional Project Office for Eastern and Southern Africa, with financial support from Swedish International Development Agency (SIDA).
